

CALENDAR

2005 China International Conference on Nanoscience and Technology

will be held in Beijing, China 9-11th June 2005.

E-mail: chinanano2005@pku.edu.cn

29th IPMI Conference

The 29th IPMI conference takes place 11-14th June 2005 in Orlando, Florida, USA. Details on IPMI website, www.ipmi.org. A paper on new industrial uses of gold will be presented by Peter Radcliffe, Rand Refinery Ltd.

Jewellery Technology Forum

The 2nd Jewellery Technology Forum on jewellery manufacturing technology will be held at the Vicenza Fair, Italy, 17-18th June 2005. Website: www.jtf.it

International Jewelry Symposium, St Petersburg

will take place at the Angleterre Hotel, St Petersburg, Russia, 4- 8th July 2005. website: www.j-symposium.ru.

E-mail: info@j-symposium.ru

International Symposium on Relations between Homogeneous and Heterogeneous Catalysis

will be held in Florence (Italy) from 18th to 22nd July 2005. The second circular is now available on-line, on the official symposium web-site (www.ishhc12.it).

Europacat VII

Catalysis: a key to richer and cleaner society. The Seventh European Congress on Catalysis, EuropaCat-VII, will take place 28 August -1 September 2005, Sofia, Bulgaria. <http://www.europacat.org>. There are several sessions which cover all the aspects of catalysis.

TNT 2005, "Trends in Nanotechnology"

will be held in Oviedo, Spain from 29th August - 2nd September 2005.

E-mail: Dr A. Correia, antonio@phantomsnet.net

EuroNanoforum 2005

'Nanotechnology and the health of the EU Citizen in 2020'.

This conference on nanotechnologies for healthcare will take place 6- 9th September 2005 in Edinburgh, Scotland. www.euronanoforum2005.org

6th International Workshop on Catalytic Combustion (IWCC6)

will be held at the Hotel Continental on the wonderful Isle of Ischia, Italy, from 11th to 14th September, 2005.

The workshop will provide a forum for R&D managers, combustion engineers and catalysis scientists to share the latest information on new developments and business opportunities in the field of catalytic combustion. iwcc6@iwcc6.unisa.it.

NanoEurope 2005

The international fair and conference for innovation and market entries with nano and micro-technologies will take place in St Gallen, Switzerland on 13 - 15th September 2005
E-mail: info@olma-messen.ch

5th World Congress on Oxidation Catalysis (5th WCOC)

will be held in Sapporo, Japan 25 - 30th September 2005 under the theme, "Innovations in Oxidation Catalysis leading to a Sustainable Society". www.e-convention.org/5wcoc
E-mail: 5wcoc@cat.hokudai.ac.jp

GOLD 2006

The next international gold conference on the science, technology and applications of gold will take place at the University of Limerick, Ireland from 3- 6th September 2006. The call for papers and posters can be accessed, along with conference details, from the website, www.gold2006.org. This conference is co-sponsored and organized by World Gold Council and the University of Limerick.

XXXIII. International mineral processing congress

3 - 8 September 2006 (Istanbul, Turkey)
www.impc2006.org

Materials Research Society (MRS) Fall Meeting 2005 Nov 28 - Dec 2, 2005, Boston, MA, USA

This meeting explores the new and emerging fields at the forefront of cutting edge materials science. Topics of relevance to gold include Nano- to Microstructured Materials, Catalysis, Electronics and Photonics.

Contact

David S. Ginley, National Renewable Energy Laboratory, SERF W102,15313, Denver West Pky., Golden, CO 80401
